The Lincoln Academy Expands Athletic Opportunities for Scholars

BELOIT, Wis - The Lincoln Academy (TLA) continues to expand athletic opportunities for its scholars during the 2026-27 school year, offering middle and high school sports across all three seasons and adding a new cooperative softball opportunity with the School District of Beloit.

The addition of softball builds on TLA's growing athletics program and provides another opportunity for high school scholars to participate in interscholastic competition.

TLA's current athletic offerings include:

- **Fall:** Middle and high school co-ed cross country and girls volleyball.
- **Winter:** Middle and high school boys basketball, girls basketball, and wrestling, plus high school co-op hockey.
- **Spring:** Middle school co-ed golf and track and field; high school baseball, co-ed golf, co-ed, track and field, and co-op softball.

"We're excited to continue expanding athletic opportunities for our scholars," TLA Athletic Director Chelsea Wain stated. "By offering a variety of sports throughout the school year, more scholars have the opportunity to find something that interests them and be part of TLA Athletics."

The expansion of athletic opportunities follows TLA's transition to full membership in the Wisconsin Interscholastic Athletic Association (WIAA) in October 2025, followed by the alignment with the Trailways Conference beginning with the 2027-28 school year.

"The continued growth of our athletics program reflects the momentum we are seeing across The Lincoln Academy," Chief Education Officer Dr. Kristi Cole stated. "As TLA continues to grow, we are committed to creating experiences that support our scholars both inside and outside of the classroom."
